Dear Parents & Skaters,

As you know, the Dundas Figure Skating Club is an organization run by volunteers. Every year the Board faces the challenge of finding enthusiastic people willing to get involved. This year we are hoping that we can count on you, your skater(s) and/or family to donate some of your valuable time, to ensure that this skating season is not only successful but lots of fun too!

We are only asking for a small commitment. If everyone helps out in some small way the workload can be manageable for all and the benefits to the skaters can be great. Also, the generous donation of time from our members helps keep the costs of our programs down. Please review the items below and check the ones that someone in your family may be able to help with.
